Dear Victor:

I have just received your letter and was very glad to hear from you. I don't understand what you mean about the money that the Immigration Office is holding which you feel should have been sent to you. If there is some money due you rest assured I will make every effort to see that it is returned to you at once.

Is it money you paid on your Income Tax? Or, is it a sum you posted when you entered the United States? Please let me hear from you right away so that I can look into the matter. I realize \$44.50 is a lot of money and if you are entitled to it I shall certainly make every effort to see that it is paid to you. Explain to me more clearly what it represents.

I hope you and Brathwaite are both well. I am sorry you are not back with the club this year but the weather has been so terrible and everything is quite annoying. I will be looking to hear from you right away.

Very truly yours,
